

Hazel Williams
Laser Cut Designs

Wood & acrylic decorations
designed & made in the UK

Orders & delivery

Hazel uses a flat-bed laser to etch and cut her intricate designs into a variety of materials, specialising in wood and mirrored acrylics.

Working from her garden studio in Bucks, she transforms her sketches into computerised vector designs before laser-cutting and finishing them by hand.

Design	Dimensions (packaged)	Packaging	Retail £	Trade £	Page
Hanging decorations
